

LaMonte Thomas

**President and General Manager for North Texas and Oklahoma
Cigna**

“After an extensive search, aided by the Plano Economic Development office’s partnership and business focus, we selected our site near the intersection of the Dallas North Tollway and the George Bush Turnpike. The new facility provides us with an operational edge. It is visible, accessible, and helps us attract and retain employees who work to fulfill our company’s mission: to help improve the health, well-being and sense of security of the people we serve.”
