**Chief Executive Officer, North America Region  
Toyota Motor North America**

"We appreciate all of the support and encouragement Toyota has received from the citizens and City of Plano. It's clear to us that Plano is the right place to start the next chapter of Toyota's history in North America. Plano will offer our company and our employees many benefits, including a moderate cost of living, affordable housing, low taxes, proximity to our manufacturing base and direct travel to most of our North American operations and Japan. Toyota is committed to being a model corporate citizen in this community, and we are excited about our future together. We look forward to a long and fruitful stay."
