

Sanjiv Yajnik

President
Capital One Finance

"Capital One's Financial Services Division is proud to call Plano home, and in partnership with the city, we have experienced tremendous success. Since 1998, we have grown from nearly 500 associates to more than 2,500 associates in Plano. The community is a vibrant place to do business, and is also a great place to live and call home. The well-being of our associates is of paramount importance to us, and Plano, with its great schools, excellent infrastructure and quality workforce, strikes the perfect balance."
