CROSSMARK**

"CROSSMARK has been around for over 100 years. In 2003, we moved into our new corporate facility on Legacy Drive. We selected Plano because of its rich diversity of people. We needed to fill positions ranging from management, clerical, legal, statisticians, sales, finance, accounting, HR, analytical, IT, marketing, to merchandising; and Plano had them all! To be perfectly candid, we selected Plano because the workforce selected Plano...and we needed a talented workforce."
